

Our work in the Philippines is a blessing to many. *BandS* board member Bill Lawrence coordinates efforts there. The *Tree of Life Ministry*, continues to prosper. With your help sponsoring students in this program, we assist over 90 who are in need of clothing, books, tuition and food.

We continue with our program to pay for cleft lip and palate surgeries. Our surgeon in Cebu has undergone surgery and will not be available for a few weeks. Most of the children in this program come to us malnourished and we have to provide nutrition for a few weeks before we can do surgery.

There are so many encouraging stories. I want you to know about a single mom that we have been working with for five years. This morning she let me know that she has passed the Board Examination that qualifies her to teach. Liza has struggled and achieved what many thought she could not. Much credit must go to her and to her mentor Salma Perocho. I am so proud of Salma and Liza.

Additional Special Needs we responded to in 2016:

- Fiji – Disaster Relief
- Philippines – Disaster Relief (Typhoon)
- Nigeria Christian Hospital
- Earth Wide Surgical Foundation (Nigeria)
- Liberia (Fatal Accident)
- USA (Louisiana hurricane)
- Kenya (Amy's Kids)
- China Missions – Cleft surgeries and one open-heart surgery
- South Sudan Vocational School

Thank you for what YOU did in 2016! We count on and appreciate your continued support in 2017,

John C. Bailey, DMD

END-OF-YEAR REPORT 2016

Dear BandS Partners,

I've been told by those who know how to raise money for charities that if you want support you must report. I have been neglectful in reporting to you and have failed to assign the task to others. Please let this be our Thanksgiving thank you, our end-of-the-year report, and our plea to make December the largest contributing month of the year.

Be encouraged by the successful missions to Indonesia. You completed 747 cataract surgeries in 2016. We share equally in this ministry with *Caris Foundation*. We accomplished this in two trips.

HERE'S WHAT YOU HAVE DONE IN
